Published: September 3, 2026 | Index ID: #-

Introduction

In today's fast moving work environment, the ability to print, scan, copy, and fax on the go has become more than a convenience—it's a necessity. Whether you're a freelancer who travels between client sites, a small business owner who needs to keep documents handy at a pop up shop, or a home office worker who prefers a clutter free desk, a mobile all in one printer can streamline your workflow and save you time and money. Among the many options on the market, the **HP OfficeJet 150 L 511 Mobile All in One Printer ENWW** stands out for its compact design, reliable performance, and versatile connectivity. This comprehensive guide explores every facet of this device—from its key features and technical specifications to real world applications, setup instructions, and maintenance tips. By the end, you'll have a clear understanding of how the HP OfficeJet 150 can fit into your daily routine and elevate your productivity.

What Is the HP OfficeJet 150 L 511 Mobile All in One Printer ENWW?

The HP OfficeJet 150 L 511 is a portable, all in one inkjet printer designed to deliver essential printing functions in a lightweight package. The "ENWW" designation indicates that the device supports **English (EN) and Network (WW)** printing capabilities, allowing seamless integration into both home and office environments. Unlike larger desktop printers, the OfficeJet 150 is engineered for mobility, featuring a slim profile, a robust battery, and a user friendly interface that makes it ideal for on the go professionals.

Key Features at a Glance

- Compact Size – Weighs just 4.4 lbs and measures 6.1 x 7.8 x 3.9 inches.
- Wireless Connectivity – Wi Fi, Bluetooth, and HP Smart app support.
- All in One Functionality – Print, scan, copy, and fax.
- Battery Powered – 6 hour battery life for true mobility.
- Print Speed – Up to 9.5 ppm (black) and 6 ppm (color).
- Paper Capacity – 50-sheet input tray, 10-sheet manual feed.
- Ink System – HP 60 /µl ink cartridges (black, cyan, magenta, yellow).

Technical Specifications

Below is a detailed breakdown of the HP OfficeJet 150's technical specs, allowing you to compare it with other mobile printers and ensure it meets your needs.

Print Performance

- Print Speed – 9.5 /ppm (black) / 6 /ppm (color) (standard); 8.0 /ppm (black) / 5.0 /ppm (color) (high quality).
- Print Quality – 4800 /× /1200 /dpi (black), 2400 /× /1200 /dpi (color).
- Maximum Print Size – 8.5" /× /11" (standard paper).

Scanning Capabilities

- Resolution – 1200 /× /1200 /dpi (optical).
- Scan Size – Up to 8.5" /× /11".
- Scan Formats – JPEG, PNG, PDF, TIFF.

Connectivity & Mobile Features

- Wireless – Wi Fi (802.11b/g/n), Bluetooth, NFC.
- Mobile Apps – HP Smart (iOS/Android), AirPrint, Google Cloud Print.
- USB – 2.0 Type A port for direct printing.
- Battery – 6 hour runtime on a single charge.

Paper Handling

- Input Tray Capacity – 50 sheets (standard).
- Manual Feed – 10 sheets, suitable for envelopes and cardstock.
- Supported Media – Plain paper, envelopes, cardstock, and photo paper.

Power Supply

- AC Adapter – 100–240 /V, 50–60 /Hz.
- Battery – 3.7 /V Li Ion, 3.4 /Ah.
- Charging Time – Approximately 2 /hours.

Why a Mobile All in One Printer Is a Game Changer

In an era where flexibility is prized, a mobile all in one printer offers several tangible benefits:

1. Portability Without Compromise

The OfficeJet 150's lightweight design means you can take it from your office to a client's conference room, a coffee shop, or even a campsite. Its battery life ensures you can print or scan even when no power outlet is available.

2. Cost Effective Document Management

By consolidating printing, scanning, copying, and faxing into a single device, you eliminate the need to invest in separate machines. The HP Smart app also reduces paper waste by allowing you to preview documents before printing.

3. Seamless Mobile Workflow

With built in Wi Fi and Bluetooth, you can print directly from your smartphone or tablet. The HP Smart app supports cloud printing, enabling you to print from anywhere in the world as long as you have an internet connection.

4. Ideal for Small Businesses and Freelancers

Small businesses often operate on tight budgets and space constraints. A mobile all in one printer provides the flexibility to move between multiple locations while keeping essential printing functions at hand.

Getting Started: Unboxing and Setup

Setting up the HP OfficeJet 150 is straightforward. Follow these steps to get your device up and running quickly.

Unboxing Checklist

1. HP OfficeJet 150 L 511 Mobile All in One Printer
2. HP 60 /µl ink cartridges (black, cyan, magenta, yellow)
3. Power adapter (included)
4. Quick Start guide
5. HP Smart app QR code

Step by Step Installation

1. Insert the Ink Cartridges – Open the ink cartridge compartment, align each cartridge with its slot, and press until it clicks into place. The printer will automatically calibrate the cartridges.
2. Load Paper – Fill the 50 sheet input tray with standard paper. Adjust the paper guides so they sit snugly against the paper edges.
3. Connect to Power – Plug the AC adapter into the printer's power port and then into a wall outlet. Turn on the printer by pressing the power button.
4. Connect to Wi Fi – Press the Wi Fi button on the printer. Use the HP Smart app on your smartphone to scan the QR code and follow the on screen prompts to join your Wi Fi network.
5. Install Drivers (Optional) – If you prefer to print from a desktop computer, download the HP Smart software from HP's website and install it on your PC or Mac.

Testing Your Setup

Print a test page from the HP Smart app. If you encounter any errors, refer to the troubleshooting section later in this guide.

Operating the HP OfficeJet 150

Once set up, the printer offers a range of functions that cater to everyday printing needs.

Printing Documents

1. Open the document on your device.
2. Select "Print" and choose the HP OfficeJet 150 from the list of available printers.
3. Adjust settings such as paper size, print quality, and duplex mode.
4. Click "Print." The printer will display a status icon on its screen and notify you when the job is complete.

Scanning Documents

The OfficeJet 150 features a flatbed scanner that is easy to use. Place the document face down on the glass, press the "Scan" button on the printer's control panel, and choose the desired output format in the HP Smart app. Scans can be saved to your device, emailed, or uploaded directly to cloud storage.

Copying and Faxing

Copying is as simple as placing a document in the scanner and pressing the "Copy" button. For faxing, connect the printer to a telephone line or use the HP Smart app's fax feature if your network supports it. The fax function is particularly useful for sending contracts or invoices while traveling.

Mobile Printing via HP Smart App

The HP Smart app is a powerful tool that extends the printer's capabilities to your mobile device. With the app, you can:

- Print from any cloud service (Google Drive, Dropbox, OneDrive).
- Scan documents and receive them instantly on your phone.
- Manage ink levels and receive alerts when cartridges are low.
- Schedule print jobs for later.

Maintenance & Troubleshooting

Keeping the HP OfficeJet 150 in top condition requires routine maintenance and a few simple troubleshooting steps.

Routine Maintenance

- Cleaning the Print Head – Use the HP Smart app's "Print Head Cleaning" feature to prevent streaks or gaps

in your prints.

- Replacing Cartridges – When ink levels drop below 10%, replace the cartridge. The printer will automatically detect the new cartridge and re calibrate.
- Cleaning the Scanner Glass – Wipe the glass with a lint free cloth and a mild glass cleaner to maintain clear scans.
